 you sur - round the faith - ful in your em - brace  
 from this time and on, for e - ver - more.  
 Al - le - lu - ia, al - le - lu - ia!

e - ver. (For - e - ver.) e - ver.

*This is a chant with solo verses.  
 Sing the chant a number of times through before introducing the solo.  
 Don't feel you have to sing a solo line only once, or that you have to sing one with every repetition.  
 Instead, offer each line as a prayer interjection, gradually making your way through the verses,  
 then settle into the chant again to close.*
